**Focus (12 credits in at least two disciplines,<sup>5</sup> only 4 of which may be independent study):**

**Global Commons  
Peace and Security**

**International Institutions  
International Ethics**

**International Political Economy International**

Course Title	Professor	Semester	Year

**Electives (8 credits):**

**From the focus and elective courses above, list those at the 300 level (12 credits minimum in at least two disciplines, only 4 credits of which may be independent study)**

**Foreign Language Requirement (Intermediate proficiency or above in a modern foreign language)**

<sup>1</sup> These courses should all be completed within the first five semesters at Mount Holyoke.

<sup>2</sup> Please note that the Economics Department requires Econ-110: Introductory Economics as a prerequisite for Econ-213 and Econ-218.

<sup>3</sup> Students wanting to count Geog-206: Political Geography must have successfully completed A-levels or an IB in human geography and receive permission from a geography professor.

<sup>4</sup> Should be taken in the sophomore year.

<sup>5</sup> Disciplines are economics, geography, history, politics, and other fields. IR is not a discipline; most IR courses are politics courses by discipline.
